### Wednesday 19th September

**11:00** Registration & Refreshments

**11:25** Dirk Schübeler  
Friedrich Miescher Institute for Biomedical Research

**11:55** Meritxell Huch  
University of Cambridge

**12:15** Opening Address  
Allon Klein  
Harvard University

**12:25** Emma Rawlins  
University of Cambridge

**12:45** Keynote: Hiro Nakauchi  
Stanford University

**13:25** Closing Remarks

**13:50** Bill Richardson  
Wolfson Institute for Biomedical Research

**14:20** Michaela Frye  
University of Cambridge

**14:30** Masayo Takahashi  
RIKEN Center for Biosystems Dynamics Research

**15:00** David Kent  
University of Cambridge

**15:20** Poster Pitches

**15:30** Refreshments & Trade Exhibition  
Supported by: StemCell Technologies

**16:10** Emmanuelle Passagé  
Columbia University

**16:40** Elisa Laurenti  
University of Cambridge

**17:00** Keynote: Leonard Zon  
Harvard University

**17:40** Drinks Reception & Poster Session 2

**19:30** Gala Dinner at Trinity College

### Thursday 20th September

**08:00** Conference Opens

**08:45** Fiona Watt  
King’s College London

**09:15** Tom Rando  
Stanford University

**09:45** Adrian Thrasher  
University College London

**10:15** Andreas Trumpp  
Heidelberg Institute for Stem Cell Technology

**10:45** Refreshments & Trade Exhibition  
Supported by: Zeiss

**11:25** Dirk Schübeler  
Friedrich Miescher Institute for Biomedical Research

**11:55** Meritxell Huch  
University of Cambridge

**12:15** Topical Debate  
Stem Cell Therapies will Never be Curative

**12:45** Keynote: Hiro Nakauchi  
Stanford University

**13:25** Closing Remarks

**13:50** Bill Richardson  
Wolfson Institute for Biomedical Research

**14:20** Michaela Frye  
University of Cambridge

**14:30** Masayo Takahashi  
RIKEN Center for Biosystems Dynamics Research

**15:00** David Kent  
University of Cambridge

**15:20** Poster Pitches

**15:30** Refreshments & Trade Exhibition  
Supported by: StemCell Technologies

**16:10** Emmanuelle Passagé  
Columbia University

**16:40** Elisa Laurenti  
University of Cambridge

**17:00** Keynote: Leonard Zon  
Harvard University

**17:40** Drinks Reception & Poster Session 2

**19:30** Gala Dinner at Trinity College

### Friday 21st September

**08:00** Conference Opens

**08:45** Stuart Forbes  
University of Edinburgh

**09:15** Elena Cattaneo  
University of Milan

**09:45** Frederic de Sauvage  
Genentech Inc - San Francisco

**10:15** Cédric Chevaert  
University of Cambridge

**10:35** Poster Prize Presentation

**10:45** Refreshments & Trade Exhibition  
Supported by: Axol Bioscience

**11:25** Cédric Blanpain  
Université Libre de Bruxelle

**11:55** Duanqin Pei  
Guangzhou Institutes of Biomedicine and Health

**12:25** Emma Rawlins  
University of Cambridge

**12:45** Keynote: Hiro Nakauchi  
Stanford University

**13:25** Closing Remarks

**13:50** Bill Richardson  
Wolfson Institute for Biomedical Research

**14:20** Michaela Frye  
University of Cambridge

**14:30** Masayo Takahashi  
RIKEN Center for Biosystems Dynamics Research

**15:00** David Kent  
University of Cambridge

**15:20** Poster Pitches

**15:30** Refreshments & Trade Exhibition  
Supported by: DefiniGen

**16:10** Emmanuelle Passagé  
Columbia University

**16:40** Elisa Laurenti  
University of Cambridge

**17:00** Keynote: Leonard Zon  
Harvard University

**17:40** Drinks Reception & Poster Session 2

**19:30** Gala Dinner at Trinity College
