

Wednesday 19th September

11:00 Registration & Refreshments

Session 1 Supported by: Olympus

12:40 Opening Address

12:50 Allon Klein Harvard University

13:20 Cristina Lo Celso Imperial College London

13:50 Bill Richardson Wolfson Institute for Biomedical Research

14:20 Michaela Frye University of Cambridge

14:40 Poster Pitches

14:50 Refreshments & Trade Exhibition

Session 2 Supported by: STEMCELL Technologies

15:30 David Scadden Harvard University

16:00 Kate Storey University of Dundee

16:30 Kevin Chalut University of Cambridge

16:50 **Keynote: Malin Parmar** Lund University

17:30 **Drinks Reception & Poster Session 1**

Thursday 20th September

08:00 Conference Opens

Session 3 Supported by: ZEISS

08:45 Fiona Watt King's College London

09:15 Tom Rando Stanford University

09:45 Adrian Thrasher University College London

10:15 Andreas Trumpp Heidelberg Institute for Stem Cell Technology

10:45 Refreshments & Trade Exhibition

Session 4 Supported by: Geneflow & Biological Industries

11:25 Dirk Schübeler Friedrich Miescher Institute for Biomedical Research

11:55 Meritxell Huch University of Cambridge

12:15 Topical Debate Stem Cell Therapies will Never be Curative

12:50 Lunch & Trade Exhibition

Session 5 Supported by: Olympus

14:00 Peter Reddien Massachusetts Institute of Technology

14:30 Masayo Takahashi RIKEN Center for Biosystems Dynamics Research

15:00 David Kent University of Cambridge

15:20 Poster Pitches

15:30 Refreshments & Trade Exhibition

Session 6 Supported by: DefiniGEN

16:10 Emmanuelle Passagué Columbia University

16:40 Elisa Laurenti University of Cambridge

17:00 **Keynote: Leonard Zon** Harvard University

17:40 **Drinks Reception & Poster Session 2**

19:30 **Gala Dinner at Trinity College**

Friday 21st September

08:00 Conference Opens

Session 7 Supported by: STEMCELL Technologies

08:45 Stuart Forbes University of Edinburgh

09:15 Elena Cattaneo University of Milan

09:45 Frederic de Sauvage Genentech Inc - San Francisco

10:15 Cédric Ghevaert University of Cambridge

10:35 Poster Prize Presentation

10:45 Refreshments & Trade Exhibition

Session 8 Supported by: Axol Bioscience

11:25 Cédric Blanpain Université Libre de Bruxelles

11:55 Duanqing Pei Guangzhou Institutes of Biomedicine and Health

12:25 Emma Rawlins University of Cambridge

12:45 **Keynote: Hiro Nakauchi** Stanford University

13:25 Closing Remarks

13:30 **Leaving Lunch**
